*Working with the community to enhance and protect the natural environment around Little River.*

## Our Aims

- Improve the health and accessibility of Little River
- Improve the visual amenity
- Promote sustainable agriculture
- Protect and enhance indigenous flora and fauna
- Implement management of invasive species

## How we achieve our aims

- Working bees to control weeds in local reserves
- Promote awareness of the environment through invited speakers
- Provide information and advice on environmental management
- Undertake projects to improve the amenity of the local area

## How you can get involved

- Become a member - \$10 per person or \$20 per family.
- Start monitoring weeds in the area.
- Control weeds and pest animals on your property and help with keeping the roadsides free of weeds.
- Come along to a meeting – see the Little River News Review for location and dates.
- Come along to our events
